COMPLETE 40 EASY-TO-FOLLOW LESSONS AND BECOME A MASTER ARTIST!

Professor Andy will guide you through easy, step-by-step lessons, teaching you all the skills you need to create amazing art!

1

We'll use construction shapes to help us with our sketch

2

Now you've got the basic shapes for your drawing, it's time to trace the outline

3

Use markers to start filling in the main colours of the body

4

Zoom in and use a thinner marker to draw in fine details

5

Colour in the Pokémon to finish your masterpiece!

In Pokémon Art Academy, you'll master a wide range of tools, and learn to draw Pokémon pictures in lots of different styles! You can even use your new skills to create masterpieces in real life!

DRAW YOUR OWN!

Frookie

Think of drawing a lemon for Frookie's basic head shape

Chespin

Focus carefully on the spiky features of Chespin's head

Fennekin

The pictures above have Pokémon looking straight ahead, so the faces are the same on both sides. When drawing Pokémon from an angle, the head rotates and the features become uneven
