All scalp & hair types

SUN

At ACO we believe in a respectful approach to the sun. We develop our sun products with carefully selected, and deselected, ingredients to give you effective sun protection, gentle to your skin – simply effective.

Do your
sunscreen
routine prior to
entering the sun.

More is more -
be generous
when applying
sunscreen.

To smear twice is
wise to ensure
you don't miss a
spot!

Consistency is
key, reapply
every other
hour.

Protect your skin
with clothes and
accessories.

Let your skin
relax in the
shadow when
the sun is as
strongest.

SUN SPRAY INTENSIVE MOISTURE SPF 50+

Moisturising sunscreen spray, very high protection

Apply generously before exposing the skin to the sun. A smaller amount lowers the protection significantly. Apply more regularly to maintain protection, especially after bathing. Do not expose young children to direct sunlight. Avoid too much sun as it poses a serious health risk. Allow to dry before contact with textiles to prevent discoloration.

SUN SPRAY INTENSIVE MOISTURE SPF 30

Moisturising sunscreen spray, high protection

Apply generously before exposing the skin to the sun. A smaller amount lowers the protection significantly. Apply more regularly to maintain protection, especially after bathing. Do not expose young children to direct sunlight. Avoid too much sun as it poses a serious health risk. Allow to dry before contact with textiles to prevent discoloration.

SUN LOTION INTENSIVE MOISTURE SPF 50

Moisturising sunscreen lotion, very high protection

Apply generously before exposing the skin to the sun. A smaller amount lowers the protection significantly. Apply more regularly to maintain protection, especially after bathing. Do not expose young children to direct sunlight. Avoid too much sun as it poses a serious health risk. Allow to dry before contact with textiles to prevent discoloration.

SUN LOTION INTENSIVE MOISTURE SPF 30

Moisturising sunscreen lotion, high protection

Apply generously before exposing the skin to the sun. A smaller amount lowers the protection significantly. Apply more regularly to maintain protection, especially after bathing. Do not expose young children to direct sunlight. Avoid too much sun as it poses a serious health risk. Allow to dry before contact with textiles to prevent discoloration.

SUN LOTION INTENSIVE MOISTURE SPF 20

Moisturising sunscreen lotion, medium
protection

Apply generously before exposing the skin to the sun. A smaller amount lowers the protection significantly. Apply more regularly to maintain protection, especially after bathing. Do not expose young children to direct sunlight. Avoid too much sun as it poses a serious health risk. Allow to dry before contact with textiles to prevent discoloration.

SUN LOTION INTENSIVE MOISTURE SPF 15

Moisturising sunscreen lotion, medium
protection

Apply generously before exposing the skin to the sun. A smaller amount lowers the protection significantly. Apply more regularly to maintain protection, especially after bathing. Do not expose young children to direct sunlight. Avoid too much sun as it poses a serious health risk. Allow to dry before contact with textiles to prevent discoloration.
