ROSE QUARTZ CRYSTAL WANDS

DESCRIPTION OF ITEM

Pair of Rose Quartz Crystals.

Can be sourced locally; we don't have a recommended supplier for these.

The Rose Quartz Crystal is approx. 11cm long and rounded (rather than pointed) at the tip so it is comfortable for the guest. The diameter at the thickest part (where you hold it) is approx. 9cm

They are used as a pair for treatments so 2 required per treatment room
