MODERN ALCHEMY

SARANI LUNA SHANTI

90 minutes

PATH | MOON | PEACE

Influenced by the power and symbolism of the full moon, this deeply meditative journey is defined by the fluid circularity of its massage movements.

Beginning with a foot bathing ceremony that uses healing basalt magma stones, feet are gently cleansed with The Grounding Crystals while The Anointing Oil is smoothed onto your hands in slow circles, softening the skin as you slowly inhale its soothing aromatic.

Using the curvature of the Kansa wand - a time-honoured Indian tool believed to calm the nervous system - cycles of infinity flow over the body creating a hypnotic rhythm that brings peace to your mind, freeing you from thoughts and feelings that no longer serve you.

The purifying scent of sage signals the end of your journey, slowly bringing your awareness back to your surroundings leaving you feeling blissfully relaxed and liberated.

SARANI LUNA SHAKTI

90 minutes

PATH | MOON | POWER

This invigorating journey is influenced by the symbolism of the new moon, a lunar phase representing an awakening of the spirit that invites us to plant new desires and intentions.

After a cleansing foot bathing ceremony using basalt magma stones and The Grounding Crystals which fills the air with a soothing aromatic, attention moves to the rest of the body.

The Anointing Oil smooths and nourishes the skin, while swift massage movements flow from your left side to your right, balancing your energy centres. The long linear strokes and firm pressure work on the base of the muscle tissue to release tension with an intensity that's enhanced by Green Jade rollers - a crystal venerated for centuries for its empowering properties.

The purifying scent of sage signals the end of your journey, slowly bringing your awareness back to your surroundings leaving you feeling uplifting and revitalised.

SARANI LUNA SAMATA

90 minutes

PATH | MOON | BALANCE

The start of this transformative journey is marked by placing a moonstone in your palm. Channelling the moon's energy to encourage emotional equilibrium, this crystal symbolises the reassuring rhythm of the lunar cycle and the natural flow of night and day.

Cleansing begins with a foot bathing ceremony using The Grounding Crystals. The Purifying Polish is then applied to your whole body with a fluid symmetry that's deeply harmonising for the skin and the mind. The creamy balm transforms into a smoothing exfoliator while you are gently massaged in even figure of eight movements to ease tension and release the scrub's soothing aromatic blend.

After showering and changing into a warm pair of cotton pyjamas, the massage moves to your feet using a Kansa Bowl and The Nourishing Balm. Then, allowing energy to flow to your head, deep strokes move across your scalp, jawbone and behind your ears.

Finally, the focus travels to your third eye with a soothing Shirodhara treatment. The steady flow of warm oil streaming onto your forehead is renowned for its powerful effect and creates a profound sense comfort and unity.

The purifying scent of sage signals the end of your journey, slowly bringing your awareness back to your surroundings leaving you feeling greater clarity and balance.
