LET'S SHARE THE LOVE, GLOSSIES

We love the ever changing beauty industry and seeing what's new and innovative from around the world. In 2020, beauty is more inclusive, accepting, and becoming more involved in social campaigns than ever before. That's why we're so excited about our box theme: Love Crosses Borders!

Fall in love with our curated collection of beauty products from around the world and look your absolute best with brands you'll adore. Say hello to smooth lips with our lip mask, a pop of rosy color with our liner, and that subtle bit of shine with our lip gloss.

No matter what your plans are, we'll make sure your Valentine's Day (or date!) is full of the care and attention you deserve.

XOXO,

The GLOSSYBOX Team

OH K! BEAUTY

@ohk_life

Gold Gel Lip Mask

Made in Korea, the country known for the best skincare, this mask contains gold and honey extracts to hydrate and smooth your lips to get them prepped for any lipstick or gloss.

Tip / How long should a mask be on for? Survey says the 'golden' time is 15 minutes, or the mask will zap the moisture back!

RRP / \$6

SAINT LUXE

@saintluxebauty

Lip Liner Duo

Duo you love them? This pair of peach and rouge lip pencils will give your lips that extra pop while moisturizing them throughout the day-or a date night! Define your lips before adding lip gloss for that perfect finishing shine.

Tip / Avoid sharpening your pencils to the point of stilettos! You want a sharp eyeliner, but harsh lip definition isn't the way to go for a perfect pout.
