Monoi Coconut Oil Conditioner

Say hello to a tropical treat with this hydrating hair conditioner! Infused with softening monoi oil, a blend of Tahitian gardenias and coconut oil to hydrate and strengthen, this conditioner protects against damage by softening and strengthening your locks. Plus, who doesn't love a little something extra?

Tip / I consider myself an unofficial self-care queen, so leaving this lovely conditioner in your hair for 5-10 minutes (or more, just don't let the conditioner dry in your hair) is a great way to elevate the treatment.
