### LUMINOUS 3-MINUTE PEEL

FULL SIZE: 30ML / FULL SIZE VALUE: \$30.00

Best known as the "Protein Peel", this re-branded formula from Real Chemistry removes dead skin cells in record time. Leave on for 3 minutes and say goodbye to those pesky surface impurities this month.

Tip

Did you know your under-eye circles are often dead skin? Exfoliate this area gently using the product on your ring fingers and watch the darkness disappear!

## NOVEX

### MYSTIC BLACK DEEP HAIR MASK

FEATURED SIZE: 100G / FULL SIZE VALUE: \$8.00

If you wanted a little more mystique at your next event, this hair mask will have guests and friends wondering what's made your hair so bouncy and soft! It can be our little paraben and sulfate-free secret, like your favorite dish.

Tip

If your hair is severely damaged, try swapping out your conditioner with a hair mask. Don't use both as it'll lead to too much product buildup.
