LIP TINT CHERRY

FULL SIZE AS FEATURED / FULL SIZE VALUE: \$19

This creamy lip tint has high pigmentation, glides on smoothly, and is cruelty-free for the fabulously environmentally conscious. With a smaller carbon footprint and long-lasting power, this cheery red tint is sure to bring that classic glam to life this year.

Tip

Adding a bit of powder underneath the tint and gloss above can make for a glimmering red lippie that'll last all night.

ABSOLUTE NY

@absnyproducts

HD FLAWLESS PRESSED FINISHING POWDER

FULL SIZE AS FEATURED / FULL SIZE VALUE: \$9

Lightweight and finely-milled, this translucent powder delivers a poreless, matte finish and extended wear-time to your makeup for those special occasions and more! Definitely keep this on hand for touch ups on-the-go if you plan to dance, laugh, and countdown the year away.

Tip

Finishing powder and setting powder are different: setting is to extend your makeup, finishing is to blur imperfections and pores. Lightly dust on your face at the end of your routine with a powder brush. Less is more!

Perfect for the professional and beginner alike, these soft, synthetic bristles encased in a rose gold ferrule atop a chic pink handle, make them a functional and aesthetically pleasing addition to your vanity.

Tip

Make sure to clean your brushes! Have a brush shampoo on hand or create a DIY formula of olive oil and dish soap. The key is rinsing and letting them dry out completely before the next use.

REAL HER

@realhermakeup

ULTIMATE GLOW GETTER CHEEK TRIO (BLUSH, HIGHLIGHTER, CONTOUR)

FULL SIZE AS FEATURED / FULL SIZE VALUE: \$32

This triple-threat set will help you put your best face forward. Vegan friendly, highly pigmented, and a velvety feel, make luxury the new standard with this perfect kit to jumpstart your revamped beauty routine.

Tip

Contouring can help you map your face to highlight your best features and minimize others. For those with a larger forehead, carry the darker shade into the hairline to minimize it.

LA SPLASH

FULL SIZE AS FEATURED / FULL SIZE VALUE: \$15

REJUVINATOR

FULL SIZE AS FEATURED / FULL SIZE VALUE: \$8

Infused with guarana extract, this three-phase nail treatment system combines an invigorating blend of oils, extracts, and vitamins that help hydrate and revitalize tired, dull cuticles and nails.

Speaking of cuticles, don't be too hasty to remove all the cuticles from your nail bed! You can damage the nail itself over time.
