# bathstore

We'll help you create your dream bathroom. We know how important bathrooms are to comfort and well-being in your home. That's why, as the UK's foremost bathroom specialists, our highest priority is helping you to create the bathroom of your dreams.

With nearly 30 years' experience, we focus on bringing you superior products made from high-quality materials so your bathroom is built to last. And we make sure you enjoy the personal touch, too. So, from the showroom to your doorstep, our design experts are ready to help you every step of the way – you can trust us to deliver quality products, with outstanding customer service, for the best possible price. Because at Bathstore, bathrooms mean more.

Feel reassured from start to finish with our three key promises:

### Choice.

THE ONLY LIMIT IS YOUR IMAGINATION

### Quality.

LUXURY DESIGNED TO LAST A LIFETIME

### Value.

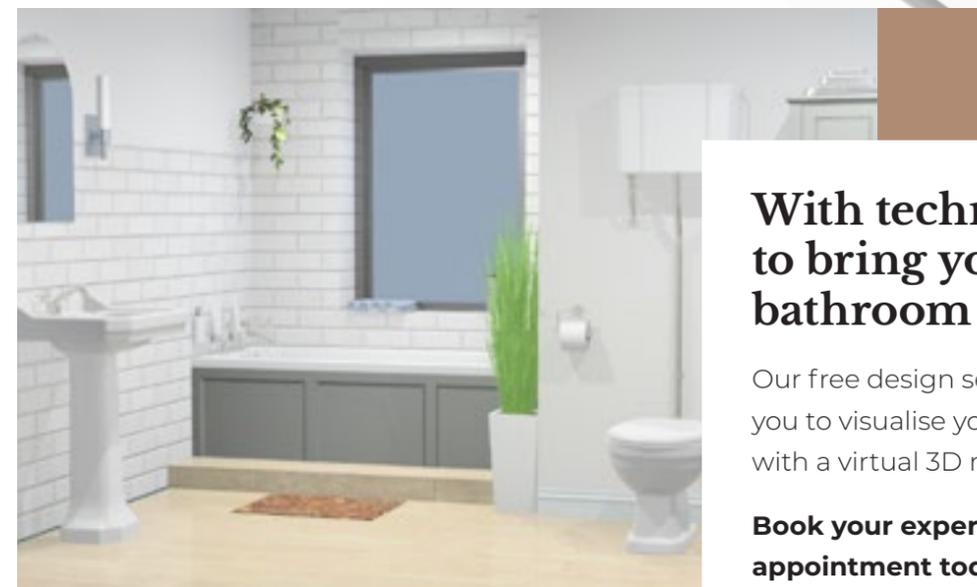

THE PERFECT PRODUCTS FOR THE PERFECT PRICE

Discover your dream bathroom at: [bathstore.com](https://www.bathstore.com) or visit your local bathstore.

## ...and help you create your dream design.

Our free in-store or virtual design service will help you plan your layout and choose all the fixtures and fittings you need to get it just right – before our expert designers talk you through it step-by-step.

## We'll guide you through the planning...

Alongside practical sketches and accurate measurements, the planning stage is the best time to think about how you use your bathroom. Do you just wash and go, or spend hours relaxing in the tub? What styles and colours do you really love?

## With technology to bring your bathroom to life.

Our free design service helps you to visualise your bathroom with a virtual 3D model.

A classic white bath offers you the freedom to give your room its own personality. Channel new trends in tiling with a cascading patterned panel from ceiling to floor for a stunning backdrop. Juxtapose with rough plastered walls for added texture. Finish the look with bold planting for a touch of botanical serenity – simple ideas that inject wow factor into your bathroom.

**Introduce plants for a sense of calm.**

**create flow with a tiled panel running from wall to floor.**

**rough plaster adds texture, paint it for a more uniform finish.**

## BATHROOMS

EXCLUSIVELY AT  **bathstore**

House Beautiful Editor in Chief, Louise Pearce, introduces us to a chic & flexible new bathroom furniture range.

## The **ele-ment(s)** collection.

An exclusive collaboration with the design experts at House Beautiful, our new ele-ment(s) bathroom furniture range has been designed around modular pieces. These allow you to create a functional and elegant bathroom that suits your space and lifestyle, no matter how large or small your room.

House Beautiful Editor-in-Chief, Louise Pearce, talks us through what she loves about the range. "This on-trend collection balances understated detail and contemporary design with seamless

functionality. Just what modern bathrooms need. Making the right choice is simplified thanks to a curated selection of colours, cupboard styles, worktops, basins and handles."

### **modular elements to create a unique and functional bathroom**

Quality is a key focus too. Italian made, this fabulous collection embraces the latest technology, with meticulous attention to detail – including push-to-open and soft-close drawers and doors, for a touch of everyday luxury.

Rolltop baths offer the perfect mix of classic elegance and contemporary drama.

Inspired by the Victoria era, with a beautiful pearly white finish, you can add a feel of opulence to your bathroom with our free-standing rolltop tubs. Whether you love the striking romance of our Kingham Slipper

Bath (above) or a more understated look like the Evesham, standing on four feet in a choice of three colours.

Pair with Bensham taps to complete this classic look.
