EDITOR IN CHIEF

*I'm Louise Pearce, Editor
in Chief for Country Living
& House Beautiful*

The House Beautiful collection of contemporary kitchens offers the perfect combination of style and function. Designed and built right here in the UK, these trend-led kitchens certainly deliver the wow factor thanks to their sleek looks, innovative storage solutions and smart finishing touches. I love them and I know you will too.

COUNTRY LIVING

I adore the timeless feel of a traditional farmhouse kitchen, and the Country Living collection makes it easy to get that look in your own home. Hand-built in Yorkshire, the range combines quality materials with impeccable attention to detail to create stunning designs that work beautifully in both modern and traditional settings.

WHY CHOOSE HOMEBASE?

YOUR DESIGN JOURNEY MADE EASY

OUR SIMPLE FOUR-STEP GUIDE TO YOUR PERFECT KITCHEN

We know there are lots of exciting decisions to make when planning your perfect kitchen. Whether you've got it all figured out, or don't know where to start, we're here to help.

STEP 1 GATHER YOUR INSPIRATION

A Pinterest board here, and a colour swatch there, we know how exciting exploring your perfect look can be.

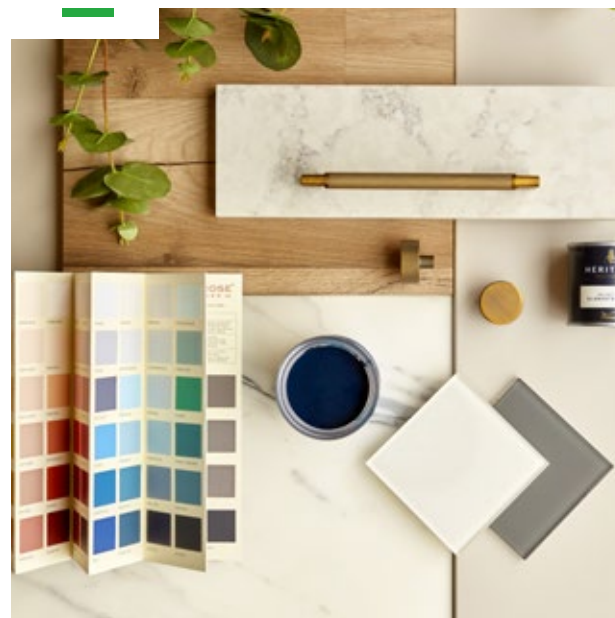

It's why we've loved filling this brochure with plenty of diverse styles, practical ideas and luxury extras to get you feeling inspired and eager to get started.

STEP 2 MEASURE IT UP

Before you start your consultation it's useful to measure your space - making note of any unique features in your home that your installer will eventually need to work around.

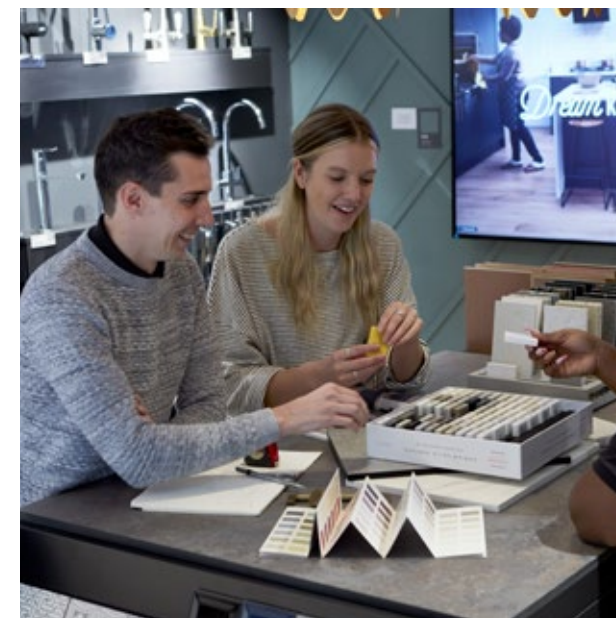

This could be anything from chimneys and alcoves to sockets. And remember, if you're not sure, we're always on hand to help.

Book your in-store or virtual consultation today at www.homebase.co.uk/consultation

RICHARD SAYS:

Why not create a samples board with all the colours, patterns & textures that you will be using? It's a great way to see how they'll all work together in your finished kitchen.

STEP 3 BOOK YOUR FREE IN-STORE OR VIRTUAL CONSULTATION

Once you've got an idea of what you like and your measurements, pop in and see us. We've partnered with City & Guild to bring you an accredited design and planning consultation completely free. In-store specialists will talk you through everything from colours to worktops, handles to handy extras, all while making the most of your space.

STEP 4 BRING IT TO LIFE

Here every step of the way, we'll then help you find the perfect person to bring your dream kitchen to life. We have a list of trusted installers so you can rest assured you've got the best person for the job. Helping you enjoy your perfectly planned space for years to come.

COUNTRY LIVING

Get a taste of the good life with beautiful country-style designs and nature-inspired colours.

If you've always dreamed of a stylish farmhouse kitchen with a modern or classic twist, the Country Living Collection is the perfect choice for you and your home.

Country Living celebrates a relaxed and simple way of living, with the kitchen firmly at the heart of the home.

This ethos is reflected in the stunning collection of kitchens that bring together the best of British design and craftsmanship.

Hand-built in Yorkshire, the quality cabinets showcase beautiful wooden textures and rich paint finishes that are both timeless and appealing. Complete with a 20-year guarantee that's as easy going as the style.

Hastings in Ash

Whitstable in Deep Blue

COUNTRY LIVING WHITSTABLE

Hand-built in Yorkshire, the Country Living Whitstable kitchen combines a traditional Shaker look with subtle modern touches, creating a truly timeless British-inspired design. It blends practicality with style and warmth – mix and match the classic colours on the doors to create a kitchen that is truly bespoke.

Plus, with design details such as the larder cupboard and butler's pantry it's easy to create a beautifully stylish and practical space. The Whitstable is ready to install, along with a 20-year guarantee so you can be confident that your new kitchen will work for you and your family for years to come.

LOUISE SAYS:

We love Whitstable for its classic country design features & heritage colour palette...

“Here we have teamed brass metallics, rich heritage green and natural wood to create a look which is warm and welcoming. Collating swatches and finishes really helps to see how finished interiors will look – why not try it yourself?”

Louise Pearce, Editor-in-Chief of Country Living and House Beautiful

THINK SINKS

Your sink is one of the hardest-working parts of your kitchen, so picking a material that looks great and fits your needs is crucial. Luckily we've got everything from hard-wearing granite to tough stainless steel to choose from. Along with a variety of sink arrangements spanning single, 1.5 or extra large bowls. So, you can choose a sink which will perfectly fit your lifestyle and your look.

CHOICE **QUALITY** **VALUE**

STONE-EFFECT

Lightweight but long-lasting, our sleek stone-effect sinks are heat-resistant, stain-resistant and come in a range of eye-catching colours that won't break the bank.

CERAMIC

Stylish and practical, our traditionally-made ceramic sinks are hygienic, heat-resistant, scratch-resistant and non-fade – ready to handle whatever you throw at them.

GRANITE

The luxurious modern choice to last a lifetime, our stylishly natural granite sinks are supremely tough – resisting heat, scratches, stains, bacteria and more.

STAINLESS STEEL

For a timeless sink that's hard-wearing, hygienic and easy-to-clean, try Stainless Steel. They're stain, rust, temperature and corrosion-resistant.

WHICH WORKTOP?

We have a wide variety of worktops to help you create the kitchen of your dreams. There are options to suit every look, style and budget from cost-conscious laminate to bespoke cut stone.

DID YOU KNOW?

Our worktops come in a variety of colours, finishes and materials. So you can find the perfect combination for your new kitchen.

Minerva Carrara White Marble Worktop

SOLID WOOD

A hard-wearing finish that looks great in both modern and traditional kitchens, our solid wood worktops add warmth and luxury.

LAMINATE

Style meets great value with our laminate range. Choose from a wide variety of designs, edge profiles and finishes to make it truly yours.

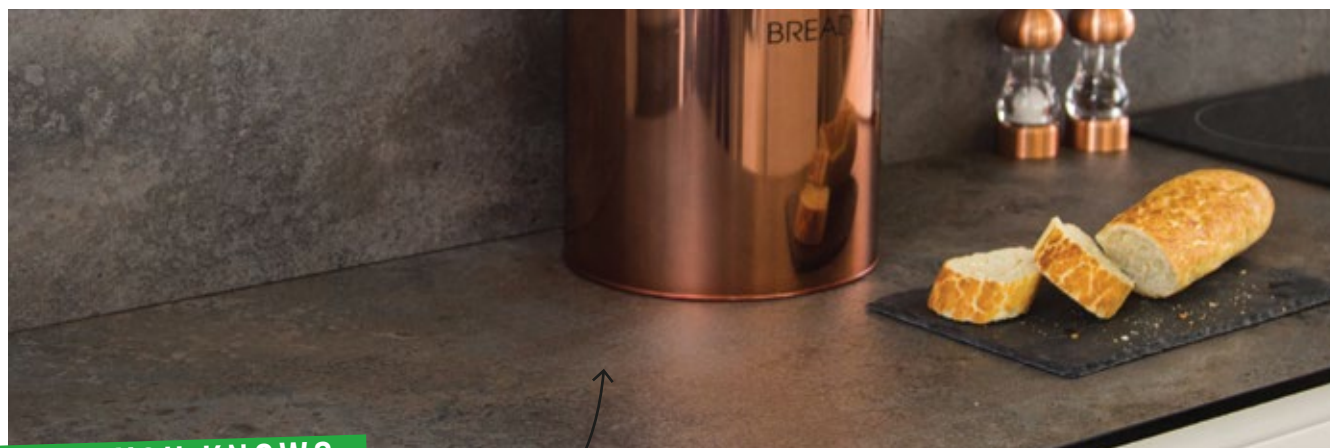

GRANITE & QUARTZ

A true touch of luxury, in a wide range of finishes, both granite and quartz can be expertly engineered to create a unique and very special worktop.

CORIAN

An elegant, non-porous surface available in a wide range of colours, Corian can be shaped to create seamless splashbacks, upstands, breakfast bars and even integrated sinks.

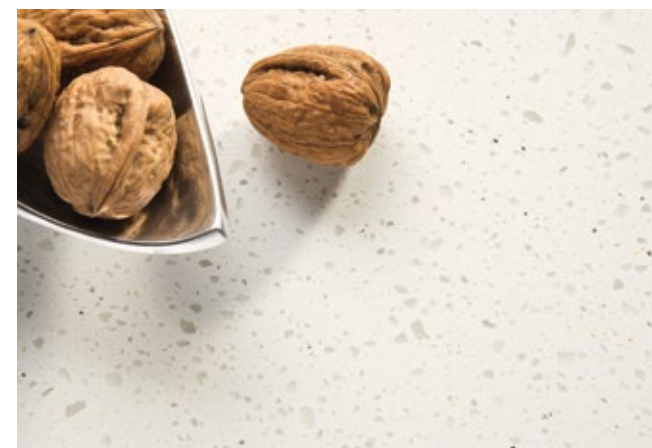

DID YOU KNOW?

Upstands and splashbacks can be supplied in the same material, for a seamless finish...

COMPACT LAMINATE

All the benefits of laminate, but even more hard-wearing. At 12.5mm these worktops are super thin and 100% waterproof – compact laminate is a premium material fit for any kitchen.

MINERVA

A practical yet premium work surface using state-of-the-art technology to deliver near seamless joints. A luxurious appearance and robust performance day in and day out that, with the right care, will stand the test of time.

METIS

A stylish, 15mm super thin, stone effect worktop with clever joints, giving a near seamless finish. With the right care Metis will stay looking good as new. Partner with upstands, breakfast bars and end panels for a premium look.

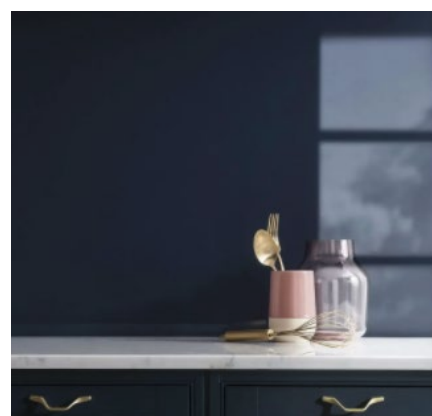

SUPERB SPLASHBACKS

COMPLEMENT YOUR KITCHEN'S STYLE

Protect your walls from splashes and cooking stains with a stylish kitchen splashback. Our wide range will help you find a practical solution that looks great too.

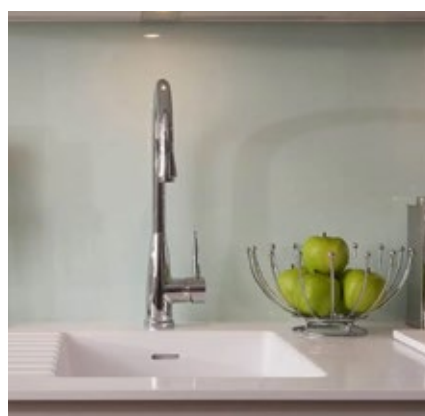

AluSplash in Petrol Blue

ALUSPLASH

Made from Aluminium in a range of high gloss colours, the AluSplash range adds real WOW factor!

ZENOLITE

Easy to install acrylic panels, Zenolite is a great way to add a splash of colour to your kitchen.

MATCH UP

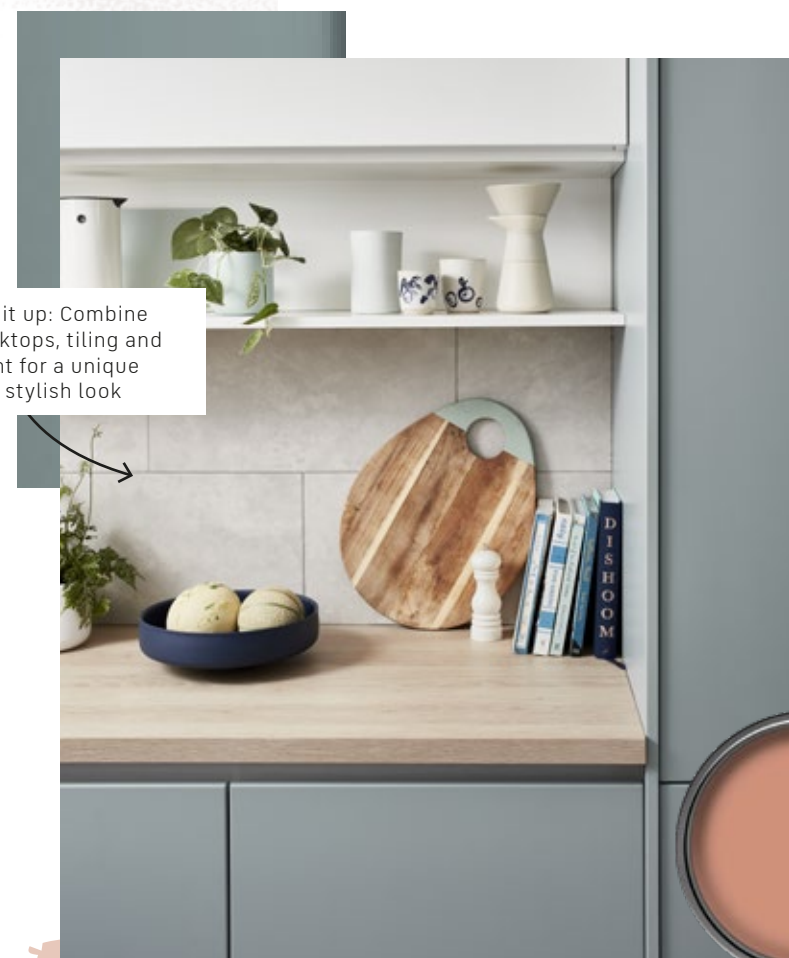

Complement your worktop with a matching splashback and upstands, available across Minerva, Quartz, Corian, Metis and Granite ranges.

SPLASHBACK style tips

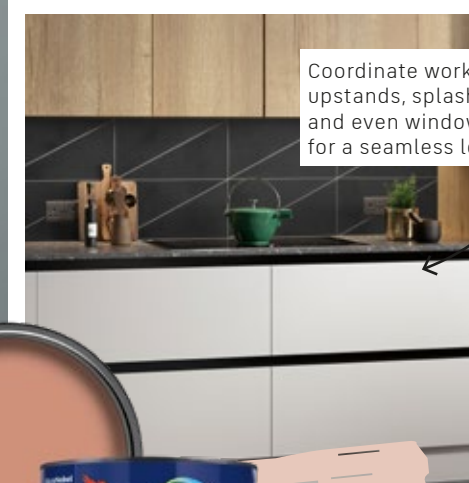

Ready to get creative? Why not create a bold backsplash by using a statement wallpaper and an acrylic overlay.

Mix it up: Combine worktops, tiling and paint for a unique and stylish look

Coordinate worktops, upstands, splashbacks and even windowsills for a seamless look.

Choose neutral tiles and worktops, then add a pop of colour with paint

Add a pop of colour with our range of AluSplash or acrylic splashbacks. Or why not try a classic stainless steel finish from our metal range?

Plus there's no need to worry about installation. Our AluSplash and Acrylic designs come with adhesive backing letting you peel, stick and seal it in no time.

Remember you can add matching splashbacks and upstands that will blend seamlessly with your kitchen in our bestselling materials; Minerva, Quartz, Corian, Metis and Granite worktops. So you'll get an on-trend look as well as durable long lasting protection.

THE METRO TILE *style tips*

A herringbone pattern is so on-trend right now and easier to lay than you'd think.

Use a simple metro tile in a brickwork pattern for a clean and classic look.

Turn things on their head, give the illusion of more height by laying metro tiles vertically.

SHARE A SHELFIE

Tiles make a great backdrop for shelves... share your shelfies with us, we'd love to see how you style yours! #myhomebaseshelfie

The Metro tile is a true Kitchen Hero! This classic shape is super versatile, and can be laid in multiple ways, helping you to create a look you'll love.

Why not try laying your Metro tiles in a Herringbone pattern for an on-trend look? Or pile them high one on top of another to create clean lines with a modern straight stack.

Our Metro range comes in multiple colours, including Navy, Grey & Blush allowing you to coordinate or contrast to your new kitchen.

Looking for something bolder? We have a Brand New range of beautiful Tiles launching in 2022, including printed & textured options. Premium tiles at dream prices - the perfect partner for your new kitchen, all available in-store and online.
