# LOVE LIFE OUTDOORS

The sun is shining and the weather's warm, so it's the perfect time to upgrade your outdoor space with our stylish new furniture.

This year, we're introducing three new on-trend collections to cater for all tastes: Decotropic, Living Colour and Explorer.

## DECOTROPIC

Decotropic blends opulence with comfort, inspired by the shapes of large-leaved plants with added structure.

With a range of naturally invigorating colours to choose from, our tailored furniture will keep your outdoors looking stylish all day long.

*luxurious tones*

## EXPLORER

As adventurous as it sounds, our Explorer collection effortlessly combines cool, earthy tones with clean lines - ready to match the rest of your garden's style.

From long sunny days to evenings around the fire, we've got the perfect designs to keep your space looking its best all summer long.

## LIVING COLOUR

Bold, beautiful and vibrant, Living Colour is the go-to trend for anyone who loves a colourful outdoor look, as well as those starting to experiment with it.

Designed for adding a sun-drenched Mediterranean vibe to your garden, this collection provides the perfect balance between bright accents and cool grey tones.

# SYNTHETIC RATTAN

From your back garden to your conservatory, our synthetic rattan sets offer comfy, hard-wearing and stylish seating both indoors and outdoors.

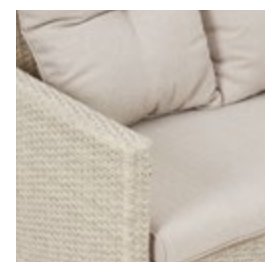

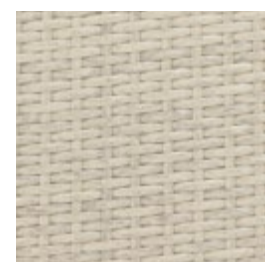

The best bit? These stunning sets are virtually maintenance-free. All they need is a wipe down with soapy water and a clean cloth, and you can leave them outside all year round (apart from the parasols and cushions, of course).

15  
YEAR  
MANUFACTURER'S  
WARRANTY

## INTRODUCING THE KETER® DARWIN 6X4 SHED

The Darwin is everything you want in a shed. It looks and feels like real wood, but it performs like nothing else. Thanks to our Evotech composite technology, the Darwin requires zero maintenance – it will not rust, peel, or rot. There is a window for natural light and built-in ventilation for ample airflow. With a floor panel included and a padlock-ready door handle you'll also have great

peace of mind, your contents are securely protected. Its special compact packaging means you can take it home in your car – no delivery required. Tongue and groove construction make assembly easy and fast, without the need for any special tools. This means that in an hour or two you'll have a strong, durable, great-looking shed that'll last you for years to come.
