About Us

Established in 1987, Walls and Floors have over 30 years of experience in providing high quality tiles with a superb level of customer service. We offer home delivery nationwide to bring your tiles right to your door.

Sample Service

Here at Walls and Floors we understand that choosing the right tile for your project is important, this is why we offer a full size sample service. We encourage you to order a sample so you can get a feel for the true colour, finish and texture. Throughout this brochure you will see a sample item number, this can be used to order your desired full size sample to help you decide if you want this tile to be part of your next home improvement project!

Order Note

When ordering we recommend allowing 10% for cut pieces and wastage.
