#### ✿ INSTRUCTIONS

1. Print this page on A4 paper and make sure to select "do not scale" on print setup
2. After printing, check with a ruler if the line below is 2 cm long:

2 cm

3. Place the kids foot on top of drawing, making sure the heel is aligned with the dotted line at the bottom of the page.
4. Trace around the foot with a pencil
5. See closest size to tracing of foot.

**TIPS:** we advise to purchase a size with 10-15mm extra room to allow for growth

- ✿ **Please note: this is a rough guide for foot length only. Finding the most comfortable size can also depend on the width and instep height of the foot.**
