

Worksheet 10: Dealing with setbacks

The 3 little letters that can get you back on *track*.

Any new activity you undertake will take time and involve setbacks along the way.

It's important to roll with setbacks and use a constructive mindset when looking at your progress.

Let's look at the positive, negative, and just generally interesting things you notice from your work so far:

Pluses: what has been positive?	
So far:	Expected in the future:
Minuses:
