# Introducing Pureis® Ultra Pure CBD (Cannabidiol)

# Pureis® key facts

<p><b>1<sup>st</sup> CBD food supplement backed by clinical studies:</b></p> <p>The results of a single dose and repeated dose studies show that Pureis® CBD was well tolerated after repeat dose in a sub chronic exposure</p>	<p><b>Specially formulated to maximise bioavailability (increase absorption):</b></p> <ul style="list-style-type: none"> <li>○ Our specialised capsules are acid-resistant to protect Pureis® from gastric degradation</li> <li>○ Our liquid range uses MCT oil which helps Pureis® avoid the 1st pass metabolism (extensively excreted).</li> </ul>
<p>100% Pure CBD / 0% THC It <b>does not have psychotropic effects</b> (does not cause a 'high') and is not addictive</p>	<p>1<sup>st</sup> CBD food supplement to use <b>FDA registered raw material</b></p>
<p><b>Great tasting and odourless.</b> By working with the very best ingredients, we pride ourselves on great tasting products, as cannabis derived CBD is generally known to be bitter tasting and unpalatable</p>	<p><b>Sustainable;</b> does not rely on agriculture, requires no use of arable land and minimal use of water to manufacture our raw material. No food wastage.</p>
	<p>Free from insecticides, environmental toxins and pollutants</p>
<p>CBD is World-Anti Doping Agency (WADA) approved</p>	<p>Gluten free and suitable for vegans</p>
<p>Manufactured under Good Manufacturing Practice (GMP) &amp; inspected by the Medicines and Healthcare products Regulatory Agency (MHRA)</p>	<p>Pureis® is the <b>1<sup>st</sup> CBD food supplement</b> in the world to <b>receive dual validation</b> from European Food Safety Authority (EFSA) and the Food Standards Agency (FSA) UK, meaning the respective authorities consider our application of high quality to go through full assessment.</p>
<p>Packaging includes braille and has ASMR appeal</p>	<p>Start to feel the effects from 2-6 days. For maximum results take every day for at least a month</p>

# Product Range 280mg & 560mg
