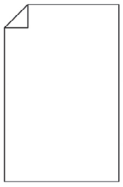
COMPONENTS:

1 x LED Light

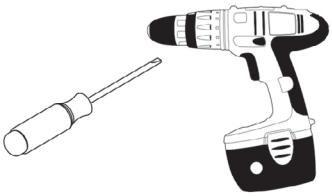
2 x Wall Plugs

2 x Screws



1 x Instructions

TOOLS REQUIRED:

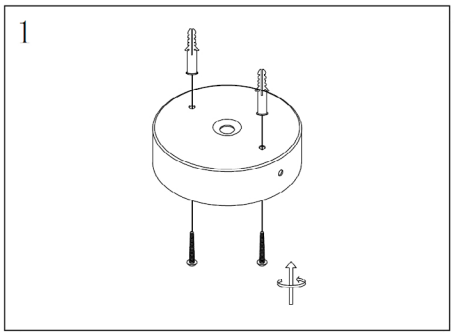


1 x Screw driver

1 x Power Drill

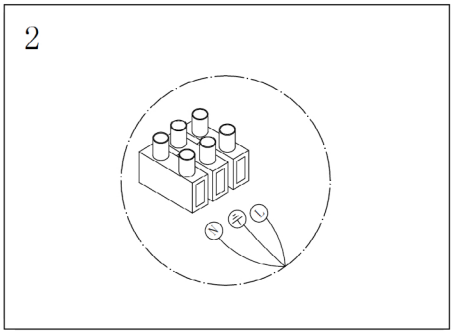
INSTALLATION:

Remove all packaging material from the product and be careful not to throw away accessories that may be hidden within the packaging material. To help with assembly, lay the fitting on its side on a smooth surface.



Remove the mounting bracket from the canopy by loosening the screws on the side. Use the mounting bracket as a template to mark the screw positions on the ceiling.

Install the mounting bracket onto the ceiling by using the mounting screws and wall plugs.



Connect the mains supply wire to the junction box. Ensure the wires are secure and no bare wires are exposed.

Mains Supply Wire
Earth - Yellow/Green
Neutral - Blue or Black
Live - Brown or Red

Fitting Wire
