SAFETY AND CARE ADVICE

Please read these instructions fully before starting assembly.

- Check that you have all the components and appropriate tools listed in this booklet before starting assembly.
- Remove all fittings from their plastic bags and separate them into their groups.
- Keep children and animals away from the work area; small parts could choke if swallowed.
- Make sure you have enough space to lay out the parts before starting.
- Do not stand or put weight on the component parts during assembly as this could cause damage.
- Assemble on a soft, level surface, to avoid damaging the unit or your floor.
- Two-person assembly is recommended.
- Dispose of all packaging materials carefully and responsibly.
- Assemble the item as close to its final position as possible.

- We do not recommend the use of power drills/drivers for inserting screws, as this could damage the unit. Only use hand screwdrivers.

- From time to time, check there are no loose screws on this unit.
- This product should not be discarded with household waste.
- Please note: the cushions are not weatherproof and should be stored indoors if not used.
- This product is made from toughened glass, which is strong but not unbreakable. In the unlikely event that the glass fails, it will break into a large number of small fragments that may be spread over a wide area. This is a feature of toughened glass and is designed to remove the risk of injury from glass breaking into large shards.
- If the glass is chipped or broken, stop using the product.
- Tables should not be dragged at any time.
- Do not strike or place heavy weight on the table.
- Do not place hot items directly onto the glass.
- Avoid dropping objects on the glass, as this may weaken or shatter it.
- Do not use the glass as a chopping surface. Do not strike the glass with hard or pointed items.

IMPORTANT INFORMATION

- Regularly check all the bolts, screws and fastenings are secure.
- Only clean using a damp cloth and mild detergent; do not use bleach or abrasive cleaners.
- Make sure each screw matches the corresponding figure, to ensure correct assembly.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.
- To prolong the life of this unit, we recommend it is stored inside during winter or extended periods of bad weather.
