

## Chat Starters

The Key to Fab Interaction!

Your Fijit Friend™ is sooo excited to hear...

"Tell Me a Joke"  
"Chat with Me"  
"Dance with Me"

And when she asks what you're up to, say...

"Going to..."  
"School"  
"Nothing"  
"Today"  
"Tomorrow"  
"Weekend"

Or when she asks about the weather, tell her it's...

"Cold"  
"Hot"  
"Rainy"  
"Warm"  
"Snowing"  
"Sunny"

And she may ask how you're feeling! Are you...?

"Great"  
"Sleepy"  
"Sad"  
"Bored"  
"Happy"  
"Fine"

And don't forget to wish her...  
"Goodnight!"
