# Dans Le Noir?

**D**ans Le Noir? is truly an incredible sensory experience, completely revising our preconceptions of the palate by offering the truth of ingredients and our emotional responses to cuisine, through immersing diners in pitch darkness. More a holistic psychological experience than mere intriguing ambience, diners' interactions gain a spontaneity and freedom away from the usual visual judgments we pass upon one another, unconscious or otherwise. Guided and served by their staff, the faculty of sight we all take for granted is imparted instead by those who remain in the dark. An incredible transfer of trust results, all, of course, over a fantastic wine tasting experience. See the light at Dans Le Noir!

# Shaka Zulu

If you want a fantastic dining experience with a twist, then a visit to London's memorable Shaka Zulu is an absolute must. Shaka Zulu is an African restaurant that takes the beating heart of South African cuisine and transports it to Camden. Set over two floors, the restaurant is imposing but homely, the food magnificent but designed for all manner of palates. South African specialities are a must – homemade biltong, pickled fish and the world famous Boerewors sausage. The rich mixtures that go into the food are abundant at every turn – no wonder it's often referred to as rainbow cuisine. If you're feeling really adventurous, plump for zebra or ostrich, but even if you play safe with steak or seafood, you're in for a gastronomic delight!

# Conwy Brewery

Perfect for those with a penchant for undiscovered beer is Conwy Brewery, makers of several enticing all-Welsh ales. Working entirely from their micro-brewery, Conwy uses a top-fermenting brewers' yeast that allows the yeast to ferment beer faster, thus providing a sweet, full bodied and fruity taste. Sample Honey Fayre, a deliciously refreshing golden ale made with Welsh Honey. Dry in flavour, the sweetness of the honey emerges in the aroma leading to a pleasing bitter finish. For a sharper option, why not try Welsh Pride, a copper coloured bitter with a well-balanced blend of malt and hops rounded off with a touch of spice. Or celebrate good times with the Celebration Ale, an amber-coloured drink with an explosion of hops, impressive Elderflower aromas, and a sweetish malt.

3.9.Last order dates, delivery times and courier charges will be subject to change over bank holidays. For seasonal variations please see our website or contact us using the details below.

3.10.While we will endeavour to ensure that your Smartbox™ is received promptly, we shall have no liability to you for any failure to deliver the Smartbox™ you have ordered or any delay in doing so, or for any damage or defect to the Smartbox™ delivered, that is caused by any event or circumstance beyond our reasonable control including, without limitation, strikes, lock-outs and other industrial disputes, breakdown of systems or network access, flood, fire, explosion or accident or other force majeure.

#### 4.Validity

4.1.All Smartbox™ vouchers and gift cards will be valid for at least six months from date of purchase. The exact expiry date will be printed on the voucher or gift card.

4.2.The voucher or gift card is valid every day of the week, including weekends, subject to the experience provider's availability, see paragraph 7.

4.3.You must book your participation date with the EP before the voucher or gift card expiry date or the voucher or gift card will cease to be valid.

#### 5.Smartbox™

##### Contents of each Smartbox™

5.1.Each Smartbox™ contains a voucher or gift card, which is equivalent to a means of payment for a given service or experience. Each voucher or gift card has a unique code and booking code, which must be quoted when dealing with the Company or the relevant EP.

5.2.Vouchers and gift cards and their associated codes must be kept safely and securely. The Company accepts no responsibility for any loss which you may sustain as a result of voucher or gift card theft, impersonation or identity fraud.

5.3.The original copy of the voucher or gift card with corresponding information card, completed and signed, is the valid method of payment for an experience. Photocopies or defective vouchers or gift cards will not be accepted.

##### Smartbox™ Images

5.4.The images used to illustrate Smartbox™ products or services in our promotional literature (including Smartbox™ guidebooks and on our website) are used as an indication only. Features indicated, such as vehicles, machines, craft and animals at each EP's venue may vary.

##### Experience Description

5.5.The information provided by the Company in Smartbox™ guidebooks and gift packs about each experience we offer is correct at the time of print. However, the content or format of our products or services may vary slightly during the year. The most up to date details of each product or service are available on our website or by contacting us.

5.6.Current details of each experience can be viewed on our website prior to ordering any Smartbox™. They are also included as part of your booking confirmation. Your participation is conditional on your acceptance of the experience description as

detailed on our website at the time of order, and in your booking confirmation. Please check these details carefully, both prior to placing your order and upon receipt of your booking confirmation.

5.7.Experiences are for one participant only, unless otherwise stated in the Smartbox™ guidebook or in the current details supplied at the time of your purchase.

5.8.The experience described at the time of purchase may change from time to time. The Company reserves the right to change its offered experiences, activities or its EPs, and so the experiences provided and represented in the Smartbox™ may vary during the validity of the Smartbox™.

##### 6.Experience Provider Venues

6.1.The Smartbox™ network of EPs includes a large selection of popular venues throughout the United Kingdom. We frequently add venues and EPs to the experiences we can offer. However, occasionally, we may need to withdraw venues featured in our guidebooks or on our website, for reasons beyond our control.

6.2.If your preferred venue is withdrawn before you make your booking, you will be offered alternative venues wherever possible. However, this may be at a different location or with a different EP.

6.3.Each EP has its own terms and conditions, which may be requested by you from the EP directly. Your participation in an experience is conditional on your acceptance of the EP's own terms and conditions.

6.4.During some periods of the year, some EPs may require a minimum stay of two nights. When booking your experience, it is your responsibility to confirm with the relevant EP whether this minimum stay requirement applies to your desired booking dates. This may involve an extra charge for an additional night's accommodation or the use of an additional Smartbox™ voucher or gift card.

6.5.Some EPs may require you to provide your credit or debit card details when making a booking with them in order to secure your booking and ensure your attendance. If you fail to attend, an EP may debit such sums from your card, in accordance with the EP's own terms and conditions. Please ensure that you check with the relevant EP the terms on which they hold such information. For the avoidance of doubt, we are not liable for any debits from your payment card by an EP in the event of your non-attendance on your booked experience date.

6.6.Some EPs may require you to send your completed Smartbox™ voucher or gift card, and its corresponding information card, to them in order to complete your booking. In such circumstances, we advise you to send your voucher or gift card by recorded delivery. We will not be liable for any loss of Smartbox™ vouchers or gift cards in the post if you are required to send it to an EP in order to secure your booking.

7.2.We advise you to book with the relevant EP as early as possible, ideally 28 days in advance. We advise you to book further than 28 days in advance for peak dates, such as weekends or holiday periods. Bookings are confirmed by the relevant EP and not by the Company. The Company is unable to guarantee the availability of certain dates, especially during peak dates or holiday periods.

7.3.You should not make any arrangements in connection with the experience until you have received your full booking confirmation from the relevant EP.

7.4. Where specific elements of an experience, such as machinery, vehicles or celebrities are not available (for example, due to mechanical failure or illness), you must liaise with the relevant EP. In these circumstances, you will be subject to the relevant EP's own terms and conditions, which may reserve the right to make reasonable substitutions, or, if this is not possible, to cancel the experience.

#### Minimum/Maximum Requirements

7.5. Certain experiences are subject to minimum or maximum requirements specified by the EP e.g. age, health, height or weight. After booking, you may be liable for any charges imposed if you are required to cancel because the minimum or maximum requirements are not met.

7.6. We will attempt to confirm with you at the time of booking if any restrictions apply to a Smartbox™ experience. However, you are advised to read the full details about a Smartbox™ experience before selecting your experience.

#### The Weather

7.7. Some Smartbox™ experiences are dependent on the weather. In such cases, you are required to call the relevant EP to check that the weather is suitable before making any travel arrangements.

7.8. If your experience is cancelled due to the weather, or any other environmental factors, you will be required to liaise with the EP to arrange a new booking for an alternative occasion. For the avoidance of doubt, this re-booked experience will also be subject to suitable weather conditions on the new experience date.

7.9. The Company is unable to reimburse travel, accommodation or any other expenses you may incur in relation to an experience cancelled due to the weather or other environmental factors.

#### Session Lengths

7.10. Details of the session lengths in respect of any given experience are estimates. They are provided simply as an indication of the time you will spend at the EP's venue. Actual session lengths will vary.

7.11. Unless otherwise indicated, you will normally be participating in a given experience with others. There may be some waiting time involved, as participation in certain activities may require you to take turns with the other participants.

7.12. Any itinerary provided to you is indicative only and the order of events at any given experience may change. You should contact the relevant EP for further details about precise session lengths and any waiting time involved.

#### Disabled Persons

7.13. Some of our EPs are able to welcome disabled persons to their venues as part of the experiences they offer.

7.14. We are happy to provide you with information on request about any disabled facilities available at EP venues. However, it is your responsibility to seek confirmation from the relevant EP that they are able to accommodate disabled persons before ordering a Smartbox™.

7.15. The Company is unable to reimburse travel, accommodation or any other expenses you may incur in relation to an experience booked on the incorrect assumption that the relevant venue or experience is able to accommodate disabled persons.

8.5. If you do not return the Smartbox™ within 14 days of your written notification in the manner provided above, you will lose your right to a refund for the price of the Smartbox™.

8.6. Once you have booked your experience with the EP, you do not have the right to cancel the contract with us or ask for a refund.

8.7. Refunds are always made to the person who purchased the Smartbox™. If the Smartbox™ was originally purchased by credit or debit card, the refund will be credited to the same card. If the card has expired, you must include details of the new card in your written notification described at paragraph 8.2 above.

8.8. Refunds for valid, unbooked, Smartbox™, purchased from other retail stores, should be taken up directly with the retailer. In such circumstances, you must return both the Smartbox™ and the unbooked voucher or gift card, in good condition, to the relevant retailer, together with the corresponding sales receipt. Any such refunds will be subject both to the retailer's own returns policy and any other specific terms and conditions of the retailer or detailed on the packaging of the Smartbox™.

##### Cancellations by EPs

8.9. Sometimes an EP may have to cancel an experience for reasons beyond its control, such as the weather or mechanical failure. We regret that, in these circumstances, the Company is unable to reimburse travel, accommodation or any other expenses you may incur in relation to the cancelled experience.

##### Exchanges

8.10. You may exchange your Smartbox™ for one of the other experiences detailed on our website free of charge, if requested within 7 days of purchase.

8.11. If an exchange is requested after 7 days of purchase, a £15 administration charge will be incurred by you.

9.5. Subject to paragraph above, the Company's maximum aggregate liability under or in connection with these terms and conditions, whether in contract, tort (including negligence) or otherwise, will in no circumstances exceed the value of your purchase order.

9.6. All vouchers and gift cards issued by the Company are issued subject to the terms and conditions of each EP or third party and it is those terms and conditions that will govern the relationship between you and the EP or third party providing the product, service or experience.

If we do so, we will post any such changes on our website.

### Entire Agreement

9.10. These terms and conditions, together with our current website prices, delivery details, contact details and privacy policy, set out the whole of our agreement relating to the supply of Smartbox™ to you by us. Nothing said by any sales person on our behalf should be understood as a variation of these terms and conditions or as an authorised representation about the nature or quality of any Smartbox™ or experience provided by an EP. Save for fraud or fraudulent misrepresentation, we shall have no liability for any such representation being untrue or misleading.

### Third Parties

9.11. All the above terms and conditions apply as a condition of using any Smartbox™ vouchers and gift cards, regardless of whether the vouchers and gift cards holder is the original purchaser.

9.21. We welcome any feedback on experiences offered in our Smartbox™. If you have a complaint on the day of your booked experience, you should bring it to the attention of the EP, preferably while still present at the venue and in all cases as soon as possible. This will give the EP the opportunity, so far as possible, to put the matter right.

9.22. If your complaint is not resolved by the EP on the day or within 28 days of your booked experience, please contact us, providing the unique code on the reverse of your voucher or gift card, your personal details and the details of the EP and venue.
