

**Gentle Rose Exfoliator (15ml)**

This gel exfoliator is fortified with tiny exfoliating jojoba beads to brighten and smooth your skin, gently buffing away impurities to reveal a naturally radiant glow. Hydrating absolute of Moroccan rose, soothing cucumber and smooth micro spherical jojoba beads exfoliate very gently, leaving your skin silky, refined and soft to the touch. Ideal prior to a treatment mask or moisturiser as it improves the penetration of other moisture treatments; helping you to re-hydrate and replenish your skin. Gentle enough to use every day on all skin types, especially sensitive or mature.
